

HYDRANT FLUSHING

Village of Cobleskill

Spring Flushing Program

The Cobleskill Water Department will begin flushing water mains in the Village and The New Town District.

Starting April 9, 2018 through June 11, 2018 during the hours of 9:00 am and 3:30 pm. **Monday-Friday Only**

As discolored water will occur during this period, the laundering of clothes should be avoided during these hours. If you have discolored water after 3:30 pm, let your cold water tap run for a few minutes until it is clear.

- This notice should be posted near your washing machine.

Thank you for your patience and cooperation,

Cobleskill Water Department – 234-2195
