

Dear Home Owner,

Since 2014, the Annual Water Quality Report for Cobleskill , Warnerville water district, and the Town Water District is now posted on line by May 31 each year. It can be viewed by going to www.schohariecounty-ny.gov. From there just click on Cobleskill “in villages”, at the bottom of the page is WATER DEPARTMENT, click on that and you will see the reports on the left hand side of the page.

For a direct link go on line and just type in www.schohariecounty-ny.gov/CountyWebSite/villcob/waterdept.html

If you would prefer a copy be mailed to you, check the box below for your system and send it with your water payment to the Village office or send this letter back **with your address to:**
