

Party Enrollment Change

February 14, 2023 – Last date for Board of Elections to receive a party enrollment change, for it to take effect before the Primary Election.

February 15, 2023, thru June 30, 2023 – all party enrollment changes received to Board of Elections during this time will be held.

June 30, 2023 - All party enrollment changes received from February 14th through June 30th to be processed and effective immediately.

In NYS you can **only** vote in a Primary Election if you are a registered voter in the party holding a primary in your voting district.

If you submit a party enrollment change through the NYS DMV website or submit a voter registration form by mail, there is no guarantee it will reach the Board of Elections Office before the deadline if it is done after February 10, 2022.

How do I Change my Party Enrollment?

If you are a registered voter, you will need to complete a voter registration form and select the party that you wish to enroll in or select *No Party* if you do not wish to be enrolled in any party. Mail the completed voter registration form to your local Board of Elections. Voter registration forms are available on our webpage under *Voter Registration Forms*.
