# Vial of Life Project

A Public Charity

## 1. Fill out the Vial of Life form

A detailed form for the Vial of Life project. It includes fields for patient name, date of birth, sex, race, and phone numbers. There are sections for medical history, current medical conditions, medications, and emergency contacts. The form is titled 'VIALOFLIFE.COM' and 'American Senior Safety Agency - Medical Alarms 1-888-473-2800'.

- Fill out the vial form located on reverse side. Answer all or any pertinent questions.
- Make blank copies of this form to keep information current or go to [www.vialoflife.com](http://www.vialoflife.com) to maintain and store updated information.

## 2. Place decal on front of a plastic baggie

- Place filled out vial form in the plastic baggie.  
You may also consider placing the following items in the baggie.
- Copy of EKG
- DNR (Do Not Resuscitate)
- Living Will or equivalent
- Recent picture of self

## 3. Place the baggie on your refrigerator door

- Securely tape plastic baggie to front of refrigerator door.
- Place plastic baggie at eye level so that anyone responding to a medical emergency can find complete medical information.

## 4. Place the second decal on your front door

- Place second decal on the front door or window for easy visibility by anyone responding to a medical emergency..
