

Schoharie County Law Enforcement Review Committee

December 1, 2020 Agenda

The need to wrap up the exploratory phase of the committee's work by January 31. By February 28 have a report of what we discussed with any recommendations we may have for consideration by the full Board. This needs to be released no later than that date so that we can open the recommendations and reports to comments by the public in March with any changes based on feedback submitted to the full Board for consideration by the end of March.

Continue the discussion regarding the Use of Force Policy, as needed with presentation from Sheriffs Department

De-escalation policy (time permitting)
