Good afternoon,

Thank you for your interest in the Governor's Executive Order 203. I'd like to share a few links to recent programs the Government Law Center has hosted around this topic:

First, on Friday, February 19, we kicked off our first 2021 [Anderson seminar on Implementing Police Reform Under the Governor's Executive Order 203](#). The panelists discussed what is expected under the terms of the order, examine some of the difficult issues that municipalities face as they undertake this effort, and report on how municipalities are progressing as they approach the order's April 1 deadline.

Second, the Executive Order 203 Roundtable 2 from February 18 can be viewed here: [EO 203 Roundtable 2](#). The discussion focused on rural communities, whose challenges are in many ways unique.

Third, the first roundtable discussion from February 9, focused on police-reform processes that are going forward under the Executive Order. Video recording can be viewed here: [EO 203 Roundtable 1](#).

Lastly, you may read more about [policing](#) on our website and [resources](#) page.

Please feel free to share with any of your contacts. If you have any questions, do not hesitate to reach out.

Thank you again and have a wonderful day. Be well and stay safe.

Best,

Cristina
