Message:

Good morning, My name is Paige Bulmer and I am a citizen living in Cobleskill. I have been following the progress of the Law Enforcement Review Committee. I hope that the board of supervisors passes this plan, and institutes a Citizens Review Board that includes people from diverse backgrounds who are dedicated to effectively doing their task. I also hope that the Citizens Review Board is given real power to witness and respond to situations within the Schoharie County Poice Department. Thank you, Paige Bulmer
