

Strength	Importance
Recreation (boating, ice fishing/fishing, personal watercraft/water ski, snowmobile, etc)	8
Aesthetics/wildlife/quality of life	3
Public access	2
Lake association/social aspects	1
Seasonal uses/users	1

Weakness	Importance
Ownership questions (dam/water)	7
Condition of dam/infrastructure	6
Individual septic system issues	4
Water quality (algal blooms, etc.)	3
Public access	1
Turbidity/sedimentation	1
Density of residences/structures	0
Seasonal uses/users	0
Lack of aquatic vegetation	0

Opportunities	Importance
Rehab of dam	6
Recreation -- lake access, multi-use trails, picnic areas	2
Remove invasive species from the lake	1
Increase vegetation in/around the lake	1
Hydroelectric	1
Lake association	0
Deepen lake (reduce turbidity)	0
Municipal system(s) -- sewer/water	0
Increasing number of full-time residences	0

Threats	Importance
Taxes	7
Finanacial burden -- maintenance/improvements	5
Poor water quality	4
Real estate prices/property values	2
use of motorized watercraft/speed of motorized craft	2
Conversions of seasonal residences to full-time	1
Increased public access	1
