

## **Peter Lawrence Odell, “Grand Old Man of Summit”**

Peter was born in Summit, NY on July 21, 1844 to Lawrence and Harriet (Baldwin) Odell. Helen Ferguson became his wife in 1868, and to the best of my knowledge no children were born to them. He was the owner and proprietor of the Lake View House boarding house/hotel from 1880 until the time of his death in 1935. As the story goes, the Lake View came to be due to the overflow of boarders from the Crowes Nest boarding house across the street. When Peter was 60 years old his two story Lake View House burned and he promptly built another one with a third floor. Peter's health and community activity deteriorated following the death of his wife August 25, 1926. He was a Mason for almost 69 years when he died, and was buried, in Summit March 16, 1935.

Peter was a charter member of Working Lodge No. 554 F. & A.M. Jefferson, NY. He was initiated July 26, Passed August 11 and Raised August 23, 1866. In 1918 the Masons gave him a beautiful cane, I'm suspecting this was a gift for his 75<sup>th</sup> birthday.

On Monday night August 23, 1926 Masons from all around the area met at the Lake View House at 8PM to give Brother Peter Odell a surprise party in honor of his 60 year anniversary in the Masons. The Working Lodge of Jefferson coordinated the gathering and had the participants meet in front of the Dingman House (Summit House/Hotel on Rte.10). The majority of the delegations came from Troy, Schenectady, Sharon Springs, Cobleskill and Richmondville. The Jefferson Band led the partiers about 800 feet down the road to the Lake View. From the August 25, 1926 Stamford Mirror-Recorder – “The affair was well organized as everything Jeffersonian always is. In a jiffy an outdoor lighting system was hooked on, chairs were placed for the band, a piano was brought out on the porch and the festivities began with the band leading America.” Numerous Masters and Past Masters, Mrs. Odell (who died a couple of days later) and his brother, and fellow Mason, Dr. Herbert L. Odell of Sharon Springs were introduced and some addressed the crowd of about 200.

R.W. and Hon. Charles/Chas. E. Nichols of Cobleskill, Justice of the Supreme Court and the senior living Past Master of Working Lodge paid Peter a fine tribute and presented him with a loving cup. The inscription read: 1866-1926, Presented

to Brother Peter L. Odell on the sixtieth anniversary of his membership in Working Lodge No. 554, F & A.M., Jefferson, NY, With fraternal regards of the Fellow Members, August 23, 1926. Following the presentation Peter recounted his progress in Masonry which had its inception while he was fishing on the Housatonic River in 1865. The evening closed with refreshments while a bright moon smiled a benediction upon Peter and his good wife.

The loving cup, cane, apron and assorted documents were donated to the Town of Summit via Karen Cuccinello by Peter Martin, Peter Odell's great nephew.
