As of September 5, 2006, New York State Department of Labor has revised Code Rule 56 dealing with asbestos.

Code Rule 56 requires that an asbestos survey may be required prior to any demolition, removal of building components, or renovation to any structure built prior.

It is the responsibility of the contractor and building owner to comply with the requirements of Code Rule 56 and other regulations that may apply. For more information contact NYS Department of Labor:

NYS Department of Labor  
450 S. Salina Street  
Syracuse, New York 13202  
(315) 479-3215

Exceptions to Code Rule 56

1. Single family, owner occupied dwellings when the work is being accomplished by the homeowner.
2. Agricultural Buildings.

I have read and understand that the requirements of Code Rule 56 apply to me and it is my responsibility to ensure compliance with same.
