Schoharie County Veterans Service has a Peer-to-Peer Advocate!!!!!!

**To work with our Veterans service officer. Our job is to find ways to
enjoy ourselves
together as brothers and sisters along with our families amongst an
ever changing
world that we live in. We want to be able to have breakfast,
luncheons, dinners, trail hikes,
snowmobile, skeet and target, Airsoft games, canoe/kayak trips,
caving, hunting, fishing, campfires,
Retreats, Camping and Equine Experiences. If you are a veteran with
ideas, give us a call. I am a
Veteran, and my oath of enlistment has no expiration date. We know
who we are. I have
spent many days looking for that adrenalin equivalent and I know
there are more of me out
there, so this is what we want to provide, safe fun groups and
activities for all of us.**
